- Only pure, unblended olive oil is used in all of our preparations
- All items are gluten free except for the Citra flat bread
- No dairy products are used in our recipes with the exception of small amounts of cream in our soups
- We have put much care and consideration into our choice of wines, teas, coffees, and desserts, all of which are Citra caliber, premium grade products:
  - Our coffee beans are roasted by Moschetti Espresso
  - Truffles are made by Barlovento and Coco Délice specialty chocolatiers in the East Bay
  - Cheesecakes are made by Charlie's Cheesecakes in San Jose
- Attention to detail at Citra goes far beyond what's visible to our guests. We pay serious attention to sanitary and hygienic considerations, and strictly avoid any form of cross contamination of ingredients in all of our processes.
